

Who We Are  
&  
New Products  
7/22/15

## WHO WE ARE

- Established in 2008
- We provide innovative subsea solutions with primary focus on marine riser components with additional products and capability related to Blow-Out Preventer stacks and subsea controls. We are passionate about solving problems and pleasing our customers.
- Located on Brittmoore Rd in Houston Texas with a 28,000 sq ft facility.
- Vision/Mission: Provide the Deep Water Drilling Industry with innovative, user friendly and reliable subsea equipment that serve the needs of our customers and to be recognized by them as an industry leader.

## Mission Statement

- Our mission is to develop, manufacture and provide reliable market driven subsea products, equipment, and systems used in the offshore drilling and production industry.
- We strive to help our customers be successful by delivering equipment that:
  - provides solutions for their operational needs, or
  - solves safety, performance, and downtime issues.

## Capabilities

- Manufacturing
  - TSC products
  - To OEM design
  - Urethane Molding
- Documentation
  - Material Certs
  - Data Books

## Products

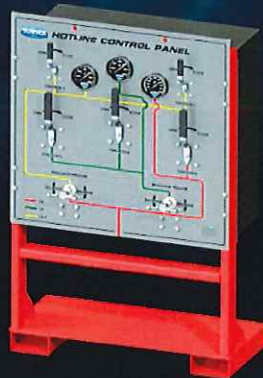

- Developed Products - Catalog Items
- Engineered Products
- Custom Products
- Build to Customer Design

## Developed Products Catalog Items

- BOP Drifts
- Subsea Gauges
- Lubricants
- Vacuum System
- Hotline Panel

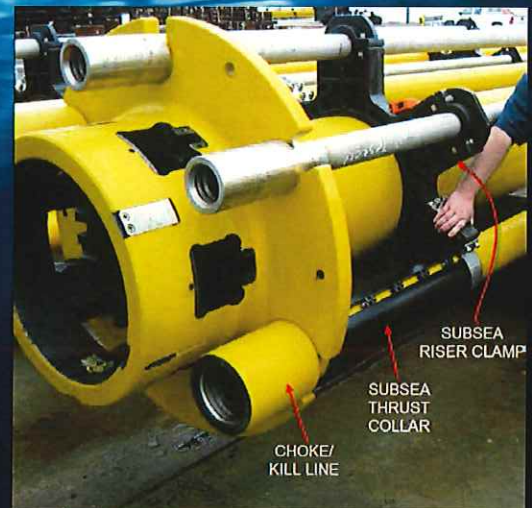

## Mission Statement

- Our mission is to develop, manufacture and provide reliable market driven subsea products, equipment, and systems used in the offshore drilling and production industry.
- We strive to help our customers be successful by delivering equipment that:
  - provides solutions for their operational needs, or
  - solves safety, performance, and downtime issues.

### INNOVATING TOMORROWS STANDARDS

- Offer the Offshore Drilling & Production industries innovative alternatives to increase efficiencies, safety & reduce downtime
- Develop these innovations into market driven products
  - Responsiveness
  - Lead time
  - On time delivery
  - Cost effective pricing

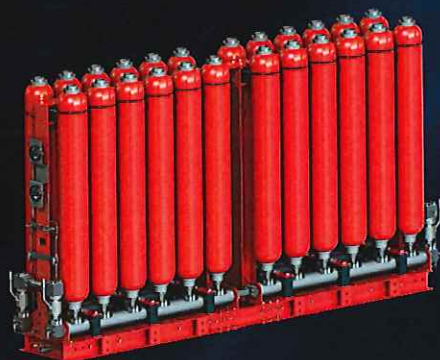

## Developed Products Catalog Items

- BOP Fluid Conditioning
- Hot Stabs & Receptacles
- MUX Clamps & Racks
- Swivels
- Surface and Subsea Signature Testers

- ROV Panels
- Accumulator Racks
- SPM Block Manifold Assemblies

## Launched Products

- BOP Drift
- Subsea Gauges
- Lubricants
- BOP Fluid System
- Hotline Control
- Vacuum Test Kit

## Lubricants

- Specially Formulated
  - 3 Greases
    - EP, HG, SAFE
  - 4 Anti-seize Compounds
    - SN, SS, SO, RB

## Lubricants

Subsea Product Name & Description	Applications	Product Packaging, Quantity and Size	Part Number
<b>Subsea-Safe</b> ECO Friendly Jacking System and Cable Lubricant	Exposed Gears, Sprockets, Sheaves & Cables in Splash Zones	7lbs in 1 Gallon Tub (Each)	TSC-02075
		35lbs in 5 Gallon Pail (Each)	TSC-02076
<b>Subsea HG</b> Heavy Grind Subsea Grease	High Load, Slow Moving, Skid & Bearing Grease for Salt Water Environment	7lbs in 1 Gallon Tub (Each)	TSC-02077
		35lbs in 5 Gallon Pail (Each)	TSC-02078
<b>Subsea EP</b> Extreme Pressure Corrosion Control Grease with Moly	High Load, Rapid Moving, Bearing Grease for Salt Water Environment	(40) 16oz Grease Gun Cartridges (Case)	TSC-02079
		(10) 16oz Grease Gun Cartridges (Case)	TSC-02080
		(1) 16oz Grease Gun Cartridge (Each)	TSC-02081
<b>Subsea RB</b> Riser Bolt Anti-Seize	Riser Bolts, Flanges, & Structural Bolts	(6) 4lb Quart Cans (Case)	TSC-02082
		(1) 4lb Quart Can (Each)	TSC-02083
		(12) 16oz Brush Top Cans (Case)	TSC-02084
		(1) 16oz Brush Top Can (Each)	TSC-02085
		(12) 12oz Brush Top Cans (Case)	TSC-02086
		(1) 12oz Brush Top Can	TSC-02087
